SUMMARY

Product leader with 10+ years shipping B2B SaaS platforms across APAC and global markets. Proven track record delivering complex platform implementations, managing cross functional teams, and driving commercial outcomes for enterprise clients.

WORK EXPERIENCE

Co-founder & Head of Product, Foundation (Fintech Infrastructure) Mar 2024 – Present | Remote

- Led end to end delivery of credit infrastructure and vault systems, managing cross functional engineering and legal teams across multiple jurisdictions to launch a tokenized loan product
- Drove platform implementation from concept to \$20M TVL and 5k MAU within 12 months, owning timelines, stakeholder alignment, and delivery risk across liquidity operations
- Designed and delivered system integrations across money markets and lending venues, managing collateral allocation and peg stability across multiple liquidity pools

Product Lead, MC Research (Web3 / Consumer Platform) May 2022 – Jan 2024 | Remote

- Owned end to end delivery of a consumer facing digital platform, managing product, engineering, and QA teams to scale from 0 to 10k MAU and 50k+ digital assets issued within 12 months
- Managed cross chain integration roadmap across wallets, marketplaces, and infrastructure partners, delivering platform implementations on time and within scope

Product Lead, Spenmo · YC S20 (Fintech SaaS) Nov 2021 – Jul 2022 | Singapore

- Led delivery of Spenmo's B2B credit product, managing end to end implementation across banking as a service partnerships and regional compliance workflows to launch a new regulated revenue line
- Built the analytics foundation for the entire product org: instrumented Mixpanel across all teams, introduced Braze for marketing automation, and rolled out feature flags and A/B testing frameworks
- Scaled the product function: hired and onboarded PMs, introduced delivery standards, and established operating rhythms for cross functional teams

Co-founder & Head of Product, Dirac AI (AI Sales Intelligence) Oct 2020 – Sep 2021 | Singapore

- Founded and led product delivery for a B2B sales intelligence platform, managing end to end development from concept to pilot launches with high growth YC startups
- Secured early private beta access to GPT 3 in 2020, designing zero shot prompt engineering architectures and context window strategies before the mainstream generative AI wave
- Led product and GTM strategy, launching successful pilots with enterprise clients including Volopay to extract meeting intelligence for sales teams

Head of Product, Empala · Antler SG4 (Fintech / Lending) Mar 2020 – Sep 2021 | Singapore

- End to end ownership of a wage access platform: discovery, design, regulatory compliance, and launch, including salary advance, repayment workflows, and payroll partner integrations
- Designed compliant financial product flows under regulatory constraints, managing delivery across engineering and compliance teams

Director of Product, Vincere (B2B SaaS · HR Tech)

Jul 2019 – Feb 2020 | Vietnam

- Led global product strategy and delivery for a B2B SaaS ATS platform serving recruitment firms, managing a cross functional team of 20 (PMs plus engineering) reporting to CEO and board
- Owned full product roadmap and delivery timelines, managing budgets, risks, and dependencies across multiple client implementations

Founder & Head of Product, Answerbuddy (Conversational AI Startup)

Jan 2018 – Jun 2019 | Remote / Vietnam

- Founded Answerbuddy, a conversational AI startup, assembling and leading a cross functional team of engineers and ML developers to build custom dialogue systems
- Successfully closed enterprise contracts including Oppo, delivering conversational automation solutions for customer support and managing end to end delivery

Senior Product Owner, Navigos / En-Japan (HR Tech)

Aug 2017 – Jul 2019 | Vietnam

- Delivered products on a multi client recruitment platform serving agencies managing large client portfolios, reinforcing experience with intermediary led B2B SaaS models
- Applied lean product methods cutting time to market 4x (down to 3 months), saving \$150K per initiative; achieved 25% revenue growth and 20% improvement in customer satisfaction across three product launches

Product Manager, Paymentwall (Global Payments)

Aug 2014 – Jun 2017 | Global

- Led Mobiamo, Paymentwall's second largest product, serving users across 90+ countries with telco and payment provider partnerships across SEA and Europe (Telenor, Orange, others)
- Built merchant facing analytics dashboards surfacing revenue, transaction volumes, and payout reporting, equipping merchants with real financial visibility
- Drove 50% reduction in merchant time to live and 20% increase in activation rate as PM for merchant onboarding, managing system integrations and platform implementations

Associate, KPMG Ukraine (Audit & Advisory)

Oct 2011 – Jun 2014 | Ukraine

- Audit and advisory across financial services and fintech clients, foundational grounding in accounting, compliance, and financial reporting
